**“Amazingly Simple, Yet Almost Unknown Secret
Has Created Wealth For Generations Before You!”**

Henry Ford is famous for the Ford automobile, but he didn't invent the automobile; **Henry Ford invented the assembly line** and created a company worth billions. He understood a secret that dates back as far as Ancient Egypt: **Great wealth is made by those who duplicate success!** Henry Ford provided a good living for people who assembled cars that made him rich!

We've taken Henry Ford's brilliant MASTERY OF DUPLICATION to a new level. Now **you can get paid from the work done by others!** This is unheard of in direct mail and is the true inside secret to fast wealth with the **Million Mail Program!**

Most people can only dream of opening their mailbox day after day and finding it loaded with checks, money orders, and cash. Why? Because mail order isn't an easy business; it requires copyrighting skills, mail management, list selection, printing and...well, expertise most of us don't have.

On the other hand, **if you had proven copy, top notch lists, and the best production experts available to you, it would be hard to fail!** Henry Ford knew he only needed the people to build his dream; he didn't have to build it himself. And you don't, either!

Now, for the first time ever, **you have access to a proven direct mail program you can build your fortune with! Easy! Fast! Fun! And the total cost of just \$200 gives you legal publishing rights to our copyrighted material. No ongoing payments, no hidden costs! No hassles.**

Even better, it's almost impossible to fail, thanks to the way we've applied Henry Ford's MASTERY OF DUPLICATION to Million Mail. After you complete your enrollment **you'll be paid \$100 for every customer who enrolls from mailings your customers do... and you won't pay a penny for those mailings. Wow!**

This is why we call this remarkable program the **Million Mail Program**. Everything is done for you...you don't need a computer, you don't have to write a word, and you don't have to understand direct mail.

You don't have to talk with anyone or have any personal contact with anyone. In fact, **you can manage your entire program with a single 5-minute phone call to a mailing and list service we provide. We have built your personal “Assembly Line” for you!**

When Henry Ford built his assembly line he had thousands of people working hard every day to make money for him. And by following our simple, step-by-step instructions, you can put the POWER OF DUPLICATION to work for you, too.

You'll have the power to enjoy a never-ending stream of cash, checks, and money orders in your mailbox and our ongoing support anytime you need it! **Financial success awaits those who take action to apply this simple principle.**

*"I was highly skeptical until I tested it for myself. Dozens of income opportunities cross my desk every day. I usually glance at them and toss them in the trash. They're almost all the same...cheesy-looking and amateurish, like they were prepared on someone's kitchen table. This one took me by complete surprise and turned out to be a totally **amazing non-stop money machine!** At this point, I can't stop this thing if I tried."

*"I received my first 8 payments from my initial mailing over the last 6 days! This program is awesome. The potential return is just overwhelming to think about. I made \$800 with minimum effort and I believe I will make \$2000 more. As I said, awesome!! Thank you!"
